LEGGIMI - README

I tasti con la colorazione diversa (vedi esempio) rimandano ad un particolare relativo ad un'altra icona, precedente o successiva.

The keys with different colors (see example) refer to a detail relating to another icon, previous or next.

I tasti con gli spigoli arrotondati (vedi esempio) hanno come distinzione una lettera al posto del numero e vengono inseriti in icone dove è necessario un maggiore dettaglio.

Una volta aperto il dettaglio, si potrà ritornare alla selezione precedente, tramite il tasto "BACK"

The keys with rounded edges (see example) have a letter instead of a number as a distinction and are inserted in icons where more detail is required. Once the detail has been opened, you can return to the previous selection using the key "BACK"

A,B,C

I tasti evidenziati come da esempio, posti in corrispondenza del "dettaglio"

Similmente ai tasti di cui sopra, rimandano a specifiche relative alla pagina, necessarie all'individuazione del possibile componente.

The keys highlighted as shown in the example, placed in correspondence with the "detail" Similar to the keys above, they refer to specifications relating to the page, necessary to identify the hissing component.
