|----------------------|------------------|---------------------------------------------------|
| 1                    | 035137           | Cover with O Ring                                 |
| 1a                   | 037898           | O Ring                                            |
| 2                    | 035139           | Grinding Bowl Lid                                 |
| 3                    | 037362           | Blade                                             |
| 4                    | 037364           | Washer                                            |
| 5                    | 037365<br>035138 | Grinding Bowl ONLY<br>Grinding Bowl Assembly      |
| 6                    | 037363           | Bowl Coupling                                     |
| 7                    | 035135           | Motor Coupling                                    |
| 8                    | 035422           | Top Housing                                       |
| 9                    | 035464           | Cord                                              |
| 10                   | 035425           | Bottom Plate                                      |
| 11                   | 035136           | Foot (4 required)                                 |
| 12                   | 035424           | Housing Cover                                     |
| 13                   | 035426           | Drain Tube                                        |
| 14                   | 035427           | Cord Plate                                        |
| 15                   | 035428           | Cord Clamp                                        |
| 16                   | 035429           | Clamp Screw (2 required)                          |
| 17                   | 035430           | Ground Washer                                     |
| 18                   | 035431           | Ground Screw                                      |
| 19                   | 013731           | Wire Tie (2 required)                             |
| 20                   | 012409           | Crimp Connector (2 required)                      |
| 21                   | 035432           | 3.5" Brown Lead                                   |
| 22                   | 035433           | 9.5" Blue Lead                                    |
| 23                   | 035434           | Interlock Switch Pin (2 required)                 |
| 24                   | 035435           | Interlock Switch Pin Spring (4 required)          |
| 25                   | 035436           | Micro Switch (2 required)                         |
| 26                   | 035437           | Micro Switch Bracket (2 required)                 |
| 27                   | 035438           | Screw (2 required for each bracket)               |
| 28                   | 035439           | Motor and Motor Bracket with Power Board Assembly |
| 29                   | 035440           | Screw (4 required)                                |
| 30                   | 035441           | Switch Button Spring (2 required)                 |
